

**Parent Peer Specialist  
Serving Families in Dane County  
Full Time**

**Are you a Certified Parent Peer Specialist, or working towards your certification? Come join an amazing organization, RISE Wisconsin, and serve families in Dane County! We are a learning collaborative, have GREAT benefits (4wks of paid earned time your first year, & 11 paid holidays, great insurance, and flexible scheduling)**

The **Parent Peer Specialist** position is designated for a person who has their own lived experience with parenting children and/or youth with social, emotional, behavioral, mental health and/or substance use challenges.

The **Parent Peer Specialist** is responsible for playing a leadership role in the agency to promote a culture in which lived experience point of view are recognized, understood, respected, and integrated. The Parent Peer Specialist collaborates on developing policies and practices that are inclusive and recovery oriented, and will provide culturally specific advocacy, education, stabilization, planning and referral for families, with primary attention to the Children Come First (CCF) and Comprehensive Community Services (CCS) programs.
