

Job Announcement – Vocational Peer Specialist (Full-Time)

Chrysalis Mission Statement: Chrysalis promotes mental health and substance use recovery in our community by supporting work opportunities that encourage hope, healing and wellness.

Chrysalis practices the following recovery principles;

- Participants determine their own path.
- Participants can and do overcome obstacles.
- Recovery focuses on people's entire lives, including mind, body, spirit and community.
- Peer Support or mutual support plays an important role in recovery.
- There are multiple pathways to recovery based on participant's unique strengths, preferences, experiences and cultural backgrounds.
- Recovery isn't a step-by-step process but one based on continual growth, occasional setbacks and learning from experience.

Chrysalis works to address inequities and oppression in our community by promoting the following values;

- Celebrating the strengths that come from diverse experiences and preferences.
- Welcoming anyone at any stage in their mental health recovery journey.
- Recognizing people have the power to reach their individual goals and grow in various aspects of their life.
- Promoting inclusivity in the community by supporting meaningful work opportunities, and partnerships.
- Utilizing cultural humility to provide appropriate interventions that support the recovery and healing of those we serve.

Job Summary: The Vocational Peer Specialist is responsible for providing direct support services to participants within the community. The Vocational Peer Specialist provides individual coaching and encouragement for peers who are working on their vocational goals. Peer Specialists function as role models demonstrating techniques in recovery and in ongoing coping skills through:

- Lending their unique insight into mental health and/or substance use and what makes recovery possible
- Supporting with teaching and educating the consumer on problem solving techniques when symptoms increase around employment
- Teaching participants how to identify and work through negative self-talk
- Assisting with building social skills in the community and teaching self-advocacy skills to support success within the workplace and in the community
- Assisting participants in obtaining services that suit that individual's recovery needs
- Attending Recovery Team meetings to promote participant's use of self-directed recovery tools
- Assisting participants in developing empowerment skills through self-advocacy and stigma-busting activities
- Assisting with completion of job applications and submitting resumes.
